IN THE "NOTICE OF OMITTED ITEMS"**

OFFICE OF PETITIONS

In connection with the "Notice of Omitted Items" dated April 16, 2001, applicant submits the following evidence that the item(s) indicated as omitted were in fact deposited with the P.T.O. on February 5, 2001, which is the original date on which the papers for this application were deposited:

[X] a photocopy of the return post card showing thereon that the item indicated as omitted was in fact deposited.

According to MPEP § 503, "[a] postcard receipt which itemizes and properly identifies the papers which are being filed serves as prima facie evidence of receipt in the PTO of all items listed thereon on the date stamped thereon by the PTO." As an example of a properly itemized postcard, §503 lists "the number of pages in the specification." The enclosed photocopy of the return postcard shows receipt of 102 sheets of specification (which would include page 18). No items on the return postcard were crossed off. Therefore, Applicant respectfully requests that the application be accepted as complete.

Applicant further notes that the present application claims priority to and incorporates by reference earlier U.S. Patent Application No. 09/222,614, which also included the same page that the PTO indicates was missing.
